To all San Antonio/Bexar County AAM Chapter Members:

The Local Chapter and National Board of AAM seek your input as to whether your local organization should continue its current services to members (largely advertising and case updates), whether a different direction is desirable and if so, how we best do that.

Historically, the Local Chapter has collected annual dues of \$100.00 and used those funds to pay for the advertising in the San Antonio Lawyer similar to that attached. The cost of the ads is \$800.00 per two-month issue. When the national organization began enforcing the requirement that Local Chapter members also must be members at the national level, we lost some members. Currently, our income from dues does not cover the cost of the advertising.

Please take a minute to answer the following survey questions. We will also be talking about these subjects in various emails to come.

1. Do you vote for Don Philbin to be the next President and Treasurer of the Local Chapter, to serve until his successor is elected? Yes _____ No _____

If your answer to question No. 1 was not “yes,” who do you nominate to serve in those roles?

2. Do you feel that the Local Chapter’s role should be limited as in the past to providing advertising for its members and updates on developments in caselaw pertaining to mediation? Yes _____ No _____

If your answer to question No. 2 was not “yes,” what would you like to see the Local Chapter accomplish next year in order to best serve its members’ interests?

3. Do you feel that the Local Chapter’s dues of \$100.00 are reasonable and should stay at this level? Yes _____ No _____

If your answer to question No. 3 was not “yes,” at what level would you be willing to pay annually to accomplish the mission of the Local Chapter?

\$125.00 _____ \$150.00 _____ Another Number _____

4. Please provide any additional comments below to assist the Local Chapter and National Association in serving the best interests of the San Antonio/Bexar County Chapter:

Name: _____ Email Address: _____
